ABOUT CNLD

CNLD was founded over 30 years ago by Dr. Roger Lauer to serve Southeast Michigan and the greater Ann Arbor community by providing quality mental health care for children, adolescents, adults and families.

Our motto, *Developing Unique Minds and Impacting Lives*, speaks to our commitment to assist individuals in maximizing their potential, solidifying their self-esteem and improving their resiliency in order to be the best version of themselves that they can be.

CNLD is best known for our expert clinicians, commitment to providing thorough intervention (what needs to be done, in what order and specific professionals with whom to work) and follow-up to ensure that your unique needs are met.

WHY COME TO US?

We are known for our work with *complex cases*. We specialize in helping our clients understand both their strengths and weaknesses. You can build resilience, minimize frustrations, and capitalize on your strengths.

We don't have a magic wand, but we do have years of training and experience to help you sort through any confusion and better grasp your particular needs. Our dedicated staff takes the extra care needed to make sure you understand all your unique needs, but also how to move back into your regular life and use that information in the best way possible.
