## ABOUT CNLD

CNLD was founded over 30 years ago by Dr. Roger Lauer to serve Southeast Michigan and the greater Ann Arbor community by providing quality mental health care for children, adolescents, adults and families.

Our motto, *Developing Unique Minds and Impacting Lives*, speaks to our commitment to assist individuals in maximizing their potential, solidifying their self-esteem and improving their resiliency in order to be the best version of themselves that they can be.

CNLD is best known for our expert clinicians, commitment to providing thorough intervention (what needs to be done, in what order and specific professionals with whom to work) and follow-up to ensure that your unique needs are met.

& impacting lives*

## OUR THERAPISTS

### Lisa Woodcock-

**Burroughs**, Ph.D is a licensed psychologist as well as a Nationally Certified School Psychologist. She has provided services in various locations throughout the state and has extensive experience as a school psychologist. Her specialties include Anxiety and Depression, ADD, Autism Spectrum Disorders, Emotional issues, and Academic and Behavioral Intervention.

**Anne Carlson**, Psy.D., is a fully licensed psychologist who has worked in outpatient, inpatient, school and home settings, with individuals from birth to 70. She has extensive experience with Infant Mental Health. Her private practice is focused on a strengths-based approach to neurodevelopmental evaluations and interventions. She uses evidence-based interventions to understand the complex changes that occur in brain functioning during childhood and adolescence. Her approach is particularly powerful when working with anxiety and depression, along with parenting during developmental transitions.

## OUR THERAPY SERVICES

At the **Center for Neuropsychology, Learning & Development**, we offer therapy for children, adolescents, adults, and families dealing with a wide range of challenges, including:

- Self-Esteem and Resiliency
- Anxiety, Depression & Mood Disorders
- Learning Disabilities & ADHD
- Autism Spectrum Disorders & Nonverbal Learning Disorders
- School or Work-Related Stress
- Life Transitions
- Peer Relationships/Social Skills
- Family Relationships
- Parenting Challenges
- Infant Mental Health

Our therapists work to understand people's concerns and then provide them with the necessary support and strategies. We offer many different types of therapy including:

- **Individual**
- **Executive Function Coaching**
- **Parent Guidance**- helping parents understand their child
- **Parent Management Training**
- **Family Therapy**-understanding the family dynamics

## OUR THERAPISTS

**Jen McCulloch**, LMSW, is a licensed Master's Social Worker and a state certified School Social Worker. She has over 16 years of experience working in this field. Ms. McCulloch's focus with youth includes interventions for students with Autism Spectrum Disorder, Emotional Impairments and Attention Deficit Hyperactivity Disorder. She has extensive experience with special education services and interventions for children with these disabilities. Ms. McCulloch implements a strength-based perspective that includes a focus on the whole person within all aspects of life. She works with her clients to identify areas of strength as well as identifying areas for maximizing excellence.
